COURSES OFFERED

- LPI :** Polytechnic Courses - ME, CE, EE, & MINING ENGINEERING.
PARAMEDICAL COURSE - DIPLOMA IN MEDICAL LABORATORY TECHNOLOGY (DMLT).
D. VOC. COURSES (EQUIVALENT TO POLYTECHNIC) - DATA SCIENCE, CYBER SECURITY,
BIG DATA & CLOUD COMPUTING, ARTIFICIAL INTELLIGENCE & ROBOTICS.
- LPITI :** FITTER, ELECTRICIAN, & WELDER.
- ECE :** ME, CE, EE & CST.
- EIEM :** ME, CE, EE (1st & 2nd Shift), ETCE, CST & AE.
- EPITI :** FITTER, ELECTRICIAN.

Chairman's Message

*There is a saying by a famous man who was a Scientist.
"All birds find shelter during a rain.
but an Eagle avoids rain by
flying above the Clouds".*

Dr. A.P.J. Abdul Kalam

LUTHFAA Polytechnic and ITI is established with a noble ambition to provide skill oriented technical education and make them as Eagles to tackle all the hardships of the society. Engineering education is the activity of teaching knowledge and principles related to the professional practice of engineering. The diploma education includes the initial education for becoming an engineer in any advanced field of his study.

LUTHFAA Polytechnic and ITI have been established with the primary ambition to train and educate young talents in various fields of engineering. Education in its general sense is a form of learning in which the knowledge, skills, values, beliefs and habits of a group of people are transferred from one generation to the next through discussion, teaching, training, and or research. We are very alert and ambitious that every student who gets his admission in LUTHFAA Polytechnic and ITI.

Quality education is our motto. For this we consistently strive to ensure that the students receive the best insight in terms of theory and practice. The infrastructure facilities in the college are made available within the unique green environment and the serene atmosphere are greatly conducive to help the learning community.

One of our greatest strengths is our highly qualified and dedicated faculty members and staff. Our students are very innovative and ever eager to learn new concepts. Apart from teaching, our faculty members are deeply engaged in motivating and counselling students so that they can find better placement. Here in we believe in nurturing young talents for a better tomorrow in their livelihood which in turn transform our society . Thus we believe in -

*"While planning for a year –sow corn
While planning for a decade – plant trees
While planning for a life –train and educate people
The pursuit of knowledge and excellence shall always reign supreme, and should always remain unfettered, irrespective of one's caste, creed, sex, religion, language, and nationality."*

With best regards

DR. BAZLUL HAQUE
(CHAIRMAN)

LUTHFAA POLYTECHNIC INSTITUTE

Principal's Message

It's an honour to be the principal of Luthfaa Polytechnic Institute, one of the premier institutes imparting technical education under AICTE and WBSCT & VE&SD and with a deep sense of honour and pride, I welcome you all and introduce you to the sphere of Luthfaa Polytechnic Institute . The institute began its journey way back in 2015.

Luthfaa Polytechnic Institute today stands at the threshold of a magnificent future. Today, it stands proud and boasting of a talented faculty of M.E./M.Tech's, B.E/B.Tech's etc. A highly motivated and disciplined staff wishing to make the dreams of students true through teaching and instruction. Not only diploma level, Luthfaa Polytechnic Institute now caters to the emerging needs of the industry through D.Voc. We provide a stimulating and challenging academic environment with a stress on outcome based learning thereby enabling our pass-outs to succeed in a global society in which information is growing at an incredible pace The infrastructural facilities and state-of-the-art equipment combined with a galaxy of competent, talented and dedicated staff provide a heady mix for an enjoyable and easy-learning experience.

As an AICTE approved Institution affiliated to the WBSCT & VE & SD, West Bengal we are fortunate to have the privilege of being part of, and delivering a strong Industry validated curriculum, which we augment with a myriad of co-curricular activities such as Industry/Field Visits, Guest Lectures, Seminars, Webinar and Workshops. Another important feature of our programmes is the components of Industrial Training and Projects.

Luthfaa Polytechnic Institute always focus on integrated all round development which aims at nurturing its students into strong and focussed human beings with ethically sound values which are embedded for life.

**MR. NURUL HASAN
(PRINCIPAL - LPI)**

Principal's Message

Welcome to be the trendsetters of modern India and global corporation LUTHFA PRIVATE INDUSTRIAL TRAINING INSTITUTE (LPITI).

Why should LPITI be our First Choice ?

As every great journey starts with a single step and conquering all major hours with appropriate selection of our choice, LPITI founded or promoted by Luthfa Foundation would be your right choice as it has got highest quality of infrastructure and trained manpower.

The LPITI with an objective of preparing appropriate training and instructional materials to suit the needs of skills training activities under the vocational training scheme of the Govt. As the technology changes every day, it has become necessary to revise the syllabus of different trades to meet the demand of the industries for the supply of trained manpower from the ITI's equipped with the advanced workshop with latest technology.

LPITI's complement and sincere thanks for your commendable choice.

MR. SUMANT KUMAR ROY
(PRINCIPAL - LPITI)

Training & Placement Officer's Message

*"Asato Ma Sad gamaya, Tamaso Ma Jyotir Gamaya,
Mrityorngo Ma Amritam Gamaya"*

Lead us from ignorance to truth, Lead us from darkness to light, Lead us from death to deathlessness.

The time - tested meaning of this Holy Scripture is the voice of our Indian civilisation that echoes in the hearts of all irrespective of time, boundaries, creeds & races of our Globe. In tune with it in the arena of education, it is said as education is the anchor that holds life together through choppy waters & it is not a safety net. Rather it propels one towards success & all we have to do is have an aim and work on everything that takes to get a lift-off because life without an aim is a boat without radar in the tumultuous sea.

As we all know, the goal of Technical Institution is the development of the trained, technically sound, industry-ready manpower which is now also envisaged by our Central Govt. programme- "Skilled India", which we follow here ardently .

Therefore, now you all make your learning ideally be fun but not stressful. You make your aim as sky is the limit, but never expect a good job without studying hard which is likely expecting to win a marathon without running it. To conclude I must say "Everyone has a talent and so do you. Let it shine out, is all you have to do."

MR. SANJIB MUKHERJEE
(T.P.O)

LUTHFA PRIVATE INDUSTRIAL TRAINING INSTITUTE

-: VISION :-

"Vision without action is a dream
Action without vision is simply passing the time
Action with vision is making a positive difference"

Luthfa Private Industrial Training Institute & Luthfa Polytechnic Institute envision creating efficient and effective technicians with cutting edge knowledge of electrical applications, problems, solving problems and safety and teaching how to follow our dreams and reach our goals, no matter what anyone else might think.

To bring out the 'best' of an individual from his/her own inside and develop his potential to its best. It is our vision to be recognized as a distinctive institution that nurtures dedicated talents and career-dreams within the backdrop of a cosmopolitan learning environment. Our motto is "To provide quality education" Through well-structured programs that inspire students to transcend from the serene world of academics to the vibrant world of industry.

-: MISSION :-

Our mission is to give wings to your dream by providing a distinctive approach to the highest quality learning experience in an environment characterized by close interaction among students, faculty, staff and the global community. We provide our students with the practical knowledge, skills and attributes along with industry based competencies required for success in demanding careers within the global economy. We prepare students for successful technical careers by offering high-quality education programs in a student – centered learning environment. As a teaching institution, Luthfa Private Industrial Training Institute seeks to excel in teaching, enriched by scholarship and service.

➤ Background of the Institutes :-

The promoter of the institute has got immense experience in running the academic institution since year 2000. The group's has got various distance education centre in name & style Pinnacle institute of engineering and management under various University. Catering need of working profession candidate's in regular program. In the year 2009 Elitte institute of engineering and management, polytechnic set up in Sodepur, Gholā. Now it is the best polytechnic college in West Bengal regards best infrastructure and the Intake capacity. Luthfa private industrial training institute (LPITI) set up in the year 2014 with best of the infrastructure and other facilities and also we have setup a polytechnic institute in the year 2015 namely Luthfaa polytechnic institute (LPI). Much emphasis are put in placement and handsome training to meet the need of the industries. We have also come up with B. Tech college name & style Elitte College of engineering, Sodepur, Gholā.

➤ LPI & LPITI Advantage :-

Spoken English

The Institute will constantly arrange the Classes for spoken English from very first year. These are conducted in addition to the prescribed syllabus by the council which will help the students to develop their communication English. This is the authority of the institution has taken this step very seriously and the entire student are requested to attend this session sincerely.

Extra Curricular Activities

The authority of the Institution has formed separate community like cultural community, sport community who will be responsible to hold the annual cultural functions which will help the students who unwind their mind to nurture their other talents apart from education. The cultural committee will also publish Institution magazine quarterly.

Faculty

The management has appointed highly qualified (above the benchmark set by AICTE) Experience full time faculty in all subjects who are fully dedicated for the interest of the academic aspect of the students.

Cafeteria

A separate building has been allotted for canteen where very good and hygienic food facility will be provided.

Library Facilities

College Library with large number of titles and volumes of reference books, textbooks and handbooks required for teaching learning activities. Besides technical books, there are good number of books on management, humanities, and literature. It has well designed and maintained stack rooms. The library database is centrally computerized for accession and renewals for easy, secure and quick operation. It has periodical section, reference section, magazine section, reprographics facilities, internet connectivity, scanning facility, book binding facility, printing, and CD viewing etc. Facility of photocopying and printing is provided to the students at lower rates.

Transport

A fleet of buses for transporting students and staff from different locations nearby area every day. Timings : As required by academic schedule.

Other Facilities: 1. Primary Health checkup and First Aid Facilities. 2. Internet facilities. 3. Photocopying facilities made available. 4. Seminar Hall and conference Hall.
